Dear Dan:

Attached are original and three copies of our invoice No. 69 and original and one copy of our DD Form 250 No. 010. The third copy of the DD Form 250 was retained by [redacted] at the time that he signed for the Government, but prior to signature by our Company Inspector, [redacted] Will you be kind enough to conform the third copy which [redacted] retained; if this is not possible, please advise and we will endeavor to have a new third copy executed for your files.

Since you have not advised to the contrary, we are assuming that the information included on this and prior DD Form 250's is sufficient and satisfactory and that no additional information, i.e. contract number, etc., is required or desirable. If this is not true, please do not hesitate to so inform us.
